SUMMARY

Just like a lot of manufacturing shops in the Detroit area we worked with the automotive industry. When we relocated to our present location our business model changed slowly with a broader product listing in material handling: JescoHuskyDumpers®, EEZYSTAK® partitions, Diamond Wire Mesh Partitions- Wire & Iron Products Company WIPCO®, (Division 10 2213, Division 10 5143) Wire Mesh Lockers, Work Platforms, and industrial shelf carts.

BUSINESS SUMMARY:

A third generation family owned business and have been in business since 1932. In 2009, we became a Woman Owned Business with the retirement of Herbert C. James. Originally located in Detroit, Michigan we moved to our current location in 1973.

CAPABILITIES

- Plasma Table
- Welding
- Robotic Cell
- Presses (Bend – Punch)
- Saw
- Shear
- Iron Worker
- Wire Weaving Looms (Square, Diamond, Rectangular)
- 3-Stage Wash Booth
- Wet Paint (water based) Conveyor System with a drying tunnel

FACILITIES:

90,000 square foot facility located in Litchfield, Michigan with 42 qualified individuals from Sales Engineers who listen to (and design) what the customer needs by using AutoCAD Fusion 360 platform to translate your vision into a drawing to the skilled tradesmen who manufacture.

EXPERTISE:

Creating long lasting products for the customer. Very good listening skills when trying to find out how they are using the product especially when designing a product special to their requirements.

CUSTOMERS:

Action Industrial Supply * Advanced Equipment * Arrow Material Handling Crown Lift -Vandalia * Castlen Steel LLC * Custom Equipment Co. * Vallen Distribution * Eagle Rock Specialties LLC * Fallsway Equipment * Industrial Products * Midland Tool & Supply * Northwest Handling Corp.
